CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The Blueprint

Lot 8

Paul Gerber, Retro Twin Ref. 158

Condition : This very limited Retro Twin, by Paul Gerber, is in very good overall condition. The case and lugs show only very minor signs of wear, consistent with gentle use, while the watch retains its sharp lines, clean surfaces, and overall proportions. The guilloché dial is in excellent condition, and shows no signs of age or damage. The hands, and movement are free from any signs of imperfections and have been well preserved. All hallmarks are very crisp and well defined. The movement, including the rare retrograde seconds function, is in excellent condition and running at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
