MARTEAU & CO

CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The Blueprint

Lot 5

Goldpfeil - GPVH by Vianney Halter

Condition : Offered in excellent overall condition, this limited GPVH shows very little discernible signs of wear, which is notable given the age of the watch. The dial and hour disc are in excellent condition. The hands are also free from any signs of imperfections and have been well preserved. All hallmarks are very crisp and well defined. There is some spotting on the automatic rotor, but the movement, including the jumping-hour and moonphase functions, is in excellent working condition and running at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
