CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The Heat Wave

Lot 6

Voutilainen - **PIECE UNIQUE** Regulator Decimal Repeater

Condition : This pièce unique Voutilainen Regulator Decimal Repeater is in excellent overall condition. Its case and lugs retain sharp definition and attractive surfaces, showing only superficial signs of wear on the upper left lug, otherwise in excellent condition, consistent with gentle handling over time. All hallmarks are crisp and well defined. The dial, hands and movement are all equally well preserved. The movement is in excellent condition and running at time of cataloging and the watch has been personally reviewed by its maker, Kari Voutilainen, during the final weeks ahead of the auction taking place.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
