Ludovic Ballouard - Upside Down in platinum

Condition : The present platinum Upside Down by Ludovic Ballouard is offered in very good overall condition. Its case and lugs retain sharp definition and attractive surfaces, showing only light, superficial signs of wear on the bezel, otherwise consistent with gentle handling over time. The dial, hands, and movement have been well preserved. All hallmarks on the caseback are very crisp and well defined. The movement is performing well at the time of cataloging, and the hour discs jump in a consistent and instantaneous way every hour.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
