CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The Heat Wave

Lot 16

Qian GuoBiao, **WORKSHOP PROTOTYPE** Facing The Sky 2.0

Condition : An exceptional example, the present workshop prototype is a once in a lifetime opportunity to acquire a prototype in its most desirable state. Being a prototype of an artisanal watch, there are imperfections and certain components are not “finished” to the standard of the equivalent souscription piece, but that is what this example so charistmatic. When it comes to the case however, there are virtually no signs of wear. The movement is in excellent condition and running at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
