

MARTEAU & CO

CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The Heat Wave

Lot 22

Audemars Piguet, Code 11:59 Selfwinding Tourbillon

Condition : The case and lugs of this Selfwinding Tourbillon are in overall excellent condition. The watch is beautifully preserved, showing only the faintest signs of wear and reflecting the utmost care in its ownership. The dial and hands are free from any signs of imperfections and have been well preserved. The onyx dial does not present any cracks or fissures. The movement is in excellent condition and running at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
