## CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The Echo

### Lot 7

F.P.Journe, Octa Réserve de Marche

Condition : This F.P.Journe, Octa Réserve de Marche is in very good overall condition. Its case and lugs show minimal signs of wear that are consistent with the age of the watch, adding to its character and charm. The hallmarks are deep and visible on the underside of the lugs, while the case still retains the original shape and proportions. The dial has developed a beautiful patina. The hands and movement are all very well preserved. The watch was serviced in 2023 by F.P. Journe and the movement is in excellent condition and running at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to [info@marteauandco.com](mailto:info@marteauandco.com) with any questions or to request further images.
