Anton Suhanov, Unique Racer Jumping Hour GMT

Condition: This Anton Suhanov Unique Racer Jumping Hour GMT is offered in excellent overall condition. Its case and lugs retain sharp definition and attractive surfaces, showing only a minimal, superficial mark on the caseband between the top lugs, otherwise consistent with gentle handling. The dial, hands, and movement have been well preserved, and the watch is performing well at the time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
