CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The Blueprint

Lot 23

De Bethune, DB28 Kind of Blue Tourbillon

Condition : An exceptional example, this limited production Kind Of Blue Tourbillon with Milky Way dial shows no discernible signs of wear. The case and articulated lugs are in perfect condition, as is the dial, which shows no signs of tarnishing. The hands are also free from any signs of imperfections and have been well preserved. The movement, including the 30-second tourbillon, is in excellent condition and running at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
