CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The Encore

Lot 1

Ondrej Berkus - OB-1 one of 11

Condition : An exceptional example, this limited edition OB-1 shows virtually no signs of wear. The titanium case is 3D printed and therefore intentionally rough in its appearance, but it is in excellent condition, with no apparent imperfections. The dial and hands are also as they were when they left the atelier. The movement is in excellent condition and running at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
