CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The Encore

Lot 7

Habring2 - Five Minute Skeleton Repeater

Condition : An exceptional example, this very rare Five Minute Skeleton Repeater shows virtually no signs of wear. The case and dial are in excellent condition. The hands are also free from any signs of imperfections. The movement is in excellent condition and running at time of cataloging. The watch chimes the hour and the number of five minute periods since the hour with great accuracy and precision.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
