MARTEAU & CO

CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The Encore

Lot 9

Yosuke Sekiguchi - "Piece Unique" Primevere, in stainless steel

Condition : An exceptional example, this piece unique Primevere in stainless steel shows virtually no signs of wear. The grand feu enamel dial is in perfect condition, as is the red aventurine subdial. They show no signs of cracking or fissuring. The hands are also free from any signs of imperfections. The movement is in excellent condition and running at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
