MARTEAU & CO

CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The Encore

Lot 12

F.P. Journe - Octa Calendrier, 38mm Steel Set

Condition : An exceptional example, this limited-edition Octa Calendrier in stainless steel is preserved in fantastic condition, exhibiting virtually no signs of wear and reflecting exceptionally careful ownership. The dial and hands are free from any signs of imperfections and have been well preserved. The movement, including calendar functions, are in excellent condition and running smootly at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
