CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The Encore

Lot 15

F.P. Journe - Stainless Steel "Coffret" Presentation Box, 37/38

Condition : This limited edition presentation box, made in walnut wood, bears the same exact serial number as the five watches featured in the lots that precede it. It has been kept in very good condition, showing only very minimal signs of wear. It opens and closes smoothly.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
