CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The Encore

Lot 18

Audemars Piguet - Calendrier Perpétuel Ref. 25749PT, in platinum

Condition : An exceptional example, this very rare platinum version of the Ref. 25749PT shows virtually no signs of wear. The case and the reference's distinctive lugs are in excellent overall condition. The dial and hands are very well preserved. All hallmarks on the caseback are very crisp and well defined. The movement and all its functions are in excellent condition and running at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
