The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The Encore

Lot 24

Voutilainen - "Piece Unique" Vingt-8

Condition : This pièce unique Vingt-8 in white gold is in excellent overall condition. The case and lugs show minimal signs of wear, with only a solitary dimple on top-right lug showcasing that the watch was worn lovingly. The original proportions of the watch however, remain totally intact. Both dials, including the second guilloché dial, are preserved in excellent condition. Both were delivered to the original owner with the watch, but the burgundy dial is the one that has featured the longest on the watch. All hallmarks on the caseback are very crisp and well defined. The movement is in excellent condition and running at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
