Marco Lang - Zweigesicht-1, Piece Unique

Condition : An exceptional example, this pièce unique Zweigesicht-1 is in excellent overall condition. The case and lugs show minimal signs of wear. The only signs of use can be found near the lug screws, but those are superficial and are not noticeable when the watch is being worn. The original proportions of the watch remain totally intact. Both dials, the openworked and the guilloché dials, are preserved in excellent condition. The hallmarks are present and well defined. The movement is in excellent condition and running at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
