CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The Encore

Lot 36

Lang & Heyne - Konrad, No 9

Condition : A historically important and possible unique Konrad, this example is in excellent overall condition. The case, including the hinged hunter caseback, and the lugs, all show minimal signs of wear. The original proportions of the watch however, remain totally intact. Both dials, including the second dial, are preserved in excellent condition. Both were delivered to the original owner with the watch. All hallmarks on the caseback are very crisp and well defined. The movement is in excellent condition and running at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
